Vinification and Maturation: The different grapes were picked at the following sugar levels to produce the fruit flavours that are required to make this great wine blend. The Chardonnay at 13.5 Baume gives the melon and peach flavours with a medium bodied backbone and the Viognier at 13.0 Baume gives the wine honey suckle and apricot flavours and also a different dimension and complexity. Most of the grapes were picked together and fermented in the same tank (Co-fermentation) to help integrate all the flavours. Portion of the wine underwent oak until the right balance was achieved.
